

NO STANDSTILL. NO OFF SWITCH. ONLY MOMENTUM.

We are energized. Striving to increase jobs and investment, sparking change and forward momentum to create a thriving business community.

It's been an impactful month – working together – toward accomplishing our Prosper Omaha goals. Here's a quick highlight of the economic development happenings occurring around the region.

WE HAVE MOMENTUM

Inspiring to the core. The 10th anniversary **Greater Omaha Young Professionals Summit** – the largest young professionals event in the region - brought together change makers, business and community leaders to engage with one another and invest in themselves and our community. **Read more.**

We've been actively forming new relationships and recruiting business to the metro while attending various conferences such as; **Data Center Dynamics** in New York City, **SelectUSA Investment Summit** in Washington, D.C. and **Consultant Connect** in South Carolina.

To position our region as a top five global agribusiness leader, we unveiled our five-year **agribusiness development strategy** at the Governor's Ag Conference – outlining goals to lead the movement. **Read more.**

A corporate innovation group of professionals were brought together to ignite ideas and **foster innovation** in our region.

We've partnered with our Military TAG and **Cassidy & Associates** to develop a strategy for mission growth and base enhancements around Offutt Air Force Base.

To attract and retain talent to the region, we're sponsoring the **Association of Information Technology Professionals (AITP) conference**. An opportunity to engage with more than 500 college IT students and expose them to the opportunities and jobs available throughout the region.

Paula Hazlewood
Senior Director - business assistance, retention and expansion

Paula is passionate about economic development and would love the opportunity to help your business grow.

Three things you didn't know about Paula....

She loves classic rock and country, George Strait being her favorite.

She is addicted to the Forensic Files – convinced she was a detective in a past life.

She loves golf, but wishes she played better.
